

5.1P: In Person Check-in 2 – Answer Sheet

1. What was the most challenging aspect of the drawing tasks? Why?

making the outline shape of circle, requires critical thinking as it's not straight forward like making outline for square.

2. Review your answer to question 3 from check-in 1. Did you use any of the strategies you identified? How did they go?

No, I got help from classmates on the outline draw code.

3. What are some strategies for success you can start or continue using for the remainder of the semester?

watch youtube videos on C#, ask questions from lecturer and classmates.
